The following costs are being charged/estimated in compliance with Section 4 of the Michigan Freedom of Information Act, MCL 15.234, according to the City's FOIA Policies and Guidelines. If the City is seeking a 50% deposit prior to providing the public records sought, the estimate is itemized on this form, lines 2-7 below.

1. If all or a portion of the requested information is available on the City's website, the City is required to tell you it is available on the website and, where practicable, include a specific webpage address where the information is available. In this case

- ☐ None

of the requested material can be found at the following webpage(s):

If the webpage is all the information you need, it is provided without charge. If, however, you still wish to receive a copy of material from the webpage, please let us know. The usual charge will apply if the City is required to produce copies of material from the webpage.

2. Labor Cost to Locate Records Not on City Website:

This is the cost of labor directly associated with the necessary searching for, locating, and examining public records in conjunction with receiving and fulfilling a granted written request. **This fee is being charged because failure to do so will result in unreasonably high costs to the City because of the nature of the request in this particular instance, specifically:** 100 hours Building Dept; 5 hours Legal Dept

The City will not charge more than the hourly wage of its lowest-paid employee capable of searching for, locating, and examining the public records in this particular instance, regardless of whether that person is available or who actually performs the labor.

These costs will be estimated and charged in **15 minute time increments**; all partial time increments must be rounded down. *If the number of minutes is less than 15, there is no charge.*

Hourly Wage Charged: \$ Clerk's Office \$22.35 x 20 hrs = 447

This shall not be more than the hourly wage of the City's lowest-paid employee capable of necessary duplication or publication in this particular instance, regardless of whether that person is available or who actually performs the labor.

These costs will be estimated and charged in **15 minute time increments**; all partial time increments must be rounded down. *If the number of minutes is less than one increment, there is no charge.*

5a. Labor Cost for Separating Exempt from Non-Exempt (Redacting): Material Not on City Website

The City will not charge for labor directly associated with redaction if it knows or has reason to know that it previously redacted the record in question and still has the redacted version in its possession.

This fee is being charged because failure to do so will result in unreasonably high costs to the City that are excessive and beyond the normal or usual amount for those services compared to the City's usual FOIA requests, because of the nature of the request in this particular instance, specifically: unknown to date/ dependent upon number of emails search turns up

This is the cost of labor of a **City employee**, including necessary review, directly associated with separating and deleting exempt from nonexempt information. This shall not be more than the hourly wage of the **City's lowest-paid employee** capable of separating and deleting exempt from nonexempt information in this particular instance, regardless of whether that person is available or who actually performs the labor.

These costs will be estimated and charged in **15 minute time increment**; all partial time increments must be rounded down. *If the number of minutes is less than 15, there is no charge.*

5b. Contracted Labor Cost for Separating Exempt from Non-Exempt (Redacting):

(Fill this out if using a contractor, such as the attorney. If using in-house employee, use No. 3a instead.)

The City will not charge for labor directly associated with redaction if it knows or has reason to know that it previously redacted the record in question and still has the redacted version in its possession.

This fee is being charged because failure to do so will result in unreasonably high costs to the City that are excessive and beyond the normal or usual amount for those services compared to the City's usual FOIA requests, because of the nature of the request in this particular instance, specifically: _____

As this City does not employ a person capable of separating exempt from non-exempt information in this particular instance, as determined by the FOIA Coordinator, this is the cost of labor of a **contractor** (i.e.: outside attorney), including necessary review, directly associated with separating and deleting exempt information from nonexempt information. This shall not exceed an amount equal to 6 times the state minimum hourly wage rate of _____ (currently \$8.15).

Name of contracted person or firm: _____

These costs will be estimated and charged in _____-minute time increments (*must be 15-minutes or more*); all partial time increments must be rounded down. *If the number of minutes is less than 15, there is no charge.*

6. Copying / Duplication Cost:

Copying costs may be charged if a copy of a public record is requested, or for the necessary copying of a record for inspection (for example, to allow for blacking out exempt information, to protect old or delicate original records, or because the original record is a digital file or database not available for public inspection).

No more than the actual cost of a sheet of paper, up to maximum 10 cents per sheet for:

- **Letter** (8 ½ x 11-inch, single and double-sided): _____ cents per sheet
- **Legal** (8 ½ x 14-inch, single and double-sided): _____ cents per sheet

No more than the actual cost of a sheet of paper for other paper sizes:

- **Other paper sizes** (single and double-sided): _____ cents / dollars per sheet

Actual and most reasonably economical cost of non-paper physical digital media:

- **Circle applicable:** Disc / Tape / Drive / Other Digital Medium **Cost per Item:** USB for emails \$10

The cost of paper copies **must** be calculated as a total cost per sheet of paper. The fee **cannot exceed** 10 cents per sheet of paper for copies of public records made on 8-1/2- by 11-inch paper or 8-1/2- by 14-inch paper. A City **must** utilize the most economical means available for making copies of public records, including using double-sided printing, if cost saving and available.

- (b) The public records made available contained the information being sought in the prior written request and are still in the City's possession.
- (c) The public records were made available to the individual, subject to payment, within the best effort estimated time frame given for the previous request.

- (a) The individual is able to show proof of prior payment in full to the City, **OR**
- (b) The City is subsequently paid in full for the applicable prior written request, **OR**
